- Access to site deficient:** road/cul-de-sac width, turning radii, no turnaround, grade >15%
- Access to structure deficient:** topography/grade change, obstructions
- Other/Describe deficiency:**

ALTERNATIVE PROPOSAL (provide brief description)

JUSTIFICATION (explain how the alternative is equal to or exceeds code requirements)

The above project does not fully conform to the 2022 California Fire Code. Pursuant to 2022 CFC Chapter 1, Section 104.10, I am requesting approval of an alternative material and/or method of construction to achieve the intent of the provisions of the code and provide at least an equivalent level of protection to that prescribed therein. I understand that approval of this request applies only to this project and shall not be construed as establishing a precedent for other projects. If approved, a copy of this AM&M request form shall be provided on all subsequent plan submittals of this project to the OCFA or Building Department.
