MORE THAN 35,000 CHILDREN IN NEED OF A TOY THIS HOLIDAY SEASON

Drive-thru toy donation event this Saturday to help meet the need

WHAT: The need is great. More than 35,000 toys have been requested for children in need this holiday season from over 110 non-profit organizations in Orange County. With many parents out of work due to the COVID-19 pandemic, we are asking for help.

With our partners from KWAVE and the Orange County Sheriff's Department, we are hosting a COVID safe, drive-thru toy donation event this weekend. We invite you to come by, drop off a new, unwrapped toy and say hi to firefighters and deputies.

If you're unable to attend the event, monetary donations can be made to the OCFA Foundation by visiting ocfa.org/toydrive. All funds collected will go towards purchasing toys.

WHEN: Saturday, December 4
9 a.m. – 1 p.m.

WHERE: Crossline Church
23331 Moulton Parkway, Laguna Hills 92653

VISUAL: OCFA Firefighters, OCSD Deputy Sheriffs and KWAVE volunteers receiving toys. Fire apparatus and sheriff patrol units will also be on display.
