Discussion items:

- Committee member Norton discussed the following:
 - Involvement and role of colleges in XOR 300 Peer Review Committee
 - CA 310 All Risk document will be ready for final review this winter (see June 2007 minutes)
 - IQS will be going through significant upgrades the next three months including a move to a web based system with remote access, and creation of a unique I.D. in lieu of Social Security numbers
- Committee Chair Nevarez discussed the State suggestion that trainees be approved by operational area Peer Review Committees prior to being approved. Our operational area will continue current practice of allowing local fire chiefs to ensure requirements are met and approve their personnel as trainees (see September 2008 minutes)
- Committee Chair Nevarez stated certificates for previously approved IQS applicants are forthcoming
- Committee Chair Nevarez reemphasized the importance of adhering to the Code of Conduct when assigned to incidents
- Chief Lewis discussed the county-wide shared use of unreimbursed AREP's and guidelines for utilization per the newly approved Orange County Fire Services Operational Area Plan Annex
