The Orange County Employees Association (OCEA) announced today that it is pledging \$25,000 toward a relief fund that is being established to aid the victims of the Santiago Fire.

“The Orange County Employees Association is glad to do whatever the fine professionals at the Orange County Fire Authority and the Orange County Sheriff’s Department believe is the best way to assist in this crisis,” said OCEA General Manager Nick Berardino.

“Orange County Fire Authority would like to thank the members of the Orange County Employees Association for their generous contribution to the relief fund,” said Orange County Fire Chief Chip Prather.

Details of the relief fund are being developed.
