

Orange County Fire Authority

"Tones at 2"

During these unprecedented times, when children and families are homebound, we'd like to provide an interactive fire department education program. We understand many school aged kids missed out on a fire station tour, or a visit from a fire crew, so we are bringing the fire service to your home.

Starting tomorrow, March 27, Orange County Fire Authority is launching "Tones at 2" (that's fire lingo for "fire tones at 2 p.m."). This Live Facebook feed will pull the curtains back of Orange County Fire Authority. Geared towards elementary aged students, our firefighters will be showing you different aspects of the fire department over the next two weeks including our fire stations, our fire investigation dog "Freedom," fire helicopter and much more.

So remember, at 2 p.m. every Monday through Friday on Facebook at facebook.com/OrangeCountyFire, you are invited to tune in, learn and, of course, ask lots of questions. Here is the first week's schedule for "Tones at 2."

| | |
|--------------------------|---|
| Friday, March 27 @ 2pm | Fire Station Tour |
| Monday, March 30 @ 2pm | Preventing Home Cooking Fires |
| Tuesday, March 31 @ 2pm | Emergency Medical Service and Ambulances |
| Wednesday, April 1 @ 2pm | Learn to Plan for a Disaster |
| Thursday, April 2 @ 2pm | Fire Investigations with our canine "Freedom" |
| Friday, April 3 @ 2pm | Air Operations – Take a Flight |

It is our hope this will be a fun, interactive learning tool while we are all adjusting to a new normal. And thanks for spreading the word, and inviting other families to join us for "Tones at 2" starting tomorrow.

*The following week's schedule will be out shortly.
