Section 2. Recognition

The Orange County Fire Authority Board of Directors (“Board”) hereby recognizes the Orange County Fire Authority Management Association (hereinafter “Association” or “OCFAMA”) as the exclusive representative of the employees in the unit of managers in employee classifications listed in Appendix A to this MOU.

Section 3. Severance

In the event that any provision of this MOU is declared invalid by a court, the parties agree that all other provisions not declared invalid shall remain in full force and effect.
ARTICLE II

COMPENSATION

Section 1. Establishment of Base Salary and Base Salary Adjustments

A. The base salaries for employees in the unit are set forth in the salary schedule of this MOU which is included as Appendix B of this MOU.

B. Compensation Increases

1. Effective on the first day of the pay period following Board approval of this MOU, employees covered by this Agreement shall receive a one and eighty-four one hundredths percent (1.84%) base salary increase.

2. Effective in the pay period including the date which is exactly one (1) year from the first salary increase, employees covered by the Agreement shall receive a two percent (2.0%) base salary increase.

3. Effective in the pay period including the date which is exactly two (2) years from the first salary increase, employees covered by the Agreement shall receive a two percent (2.0%) base salary increase.

C. Employees shall receive compensation on a salary basis at a biweekly rate within the range and step assigned to the class in which they are employed.

D. The Fire Chief may, in those instances where he/she determines that it is in the best interest of the Authority, approve additional individual salary increases, provided that the amount, when added to any other increase, shall not exceed fifteen percent (15%); however, no such increase shall cause an employee's salary to exceed the maximum of the applicable salary range.

E. If any employee is required to work an unusually large number of hours as a result of natural disasters and/or officially declared emergencies, such as floods, fires, storm conditions, high tides, etc., or due to extraordinary circumstances such as special projects, excessive call backs, etc., the Fire Chief, any Assistant Chief or Director may authorize additional compensation for such an employee or group of employees whom the Fire Chief, any Assistant Chief or Director determines should receive additional compensation. The rate of such compensation shall be equal to one-eightieth (1/80) of the employee's regular biweekly pay rate for the hours in excess of eighty (80) hours in a pay period. The Fire Chief, any Assistant Chief or Director may also authorize Management Administrative Leave (MAL) for members of the OCFAMA bargaining unit in lieu of compensation provided within this paragraph. MAL will not have cash value and cannot be cashed out (as permitted per agreement by Labor Code Section 227.3) at any time including at the end of employment. MAL can be used just like vacation by making a request to use it with each employee's supervisor.

F. No employee's base salary shall exceed the maximum of the salary range, except
pursuant to the Y-Rate provisions in Article II, Section 5 of this MOU.

G. No employee's salary shall be less than the minimum rate in the range assigned to the class in which he/she is employed.

H. The Fire Authority will conduct a classification and compensation study of the classifications in the OCFAMA which will be completed during the last year of the term of this MOU. The study will be conducted by a third party consultant. The parties agree to the following regarding the study:

1. It will include updates to job descriptions to reflect current job duties assigned and/or performed.

2. It will compare wages of bargaining unit positions as compared to comparable classifications at the agencies surveyed in the study.

3. It will conduct both an external wage analysis (as described in paragraph 2 above) and an internal wage analysis of positions in the same classification series.

4. The Authority will provide the OCFAMA with a draft of the report of the study and the OCFAMA will have (thirty) 30 days to provide any response regarding the report.

5. The Authority will review the OCFAMA’s response to the draft report and consider that information in providing direction to the consultant conducting the study.

6. The final report from the consultant will be provided to the OCFAMA.

The Parties agree that in conducting the classification and compensation study, one of the compensation elements of that study will be the inclusion of the employer’s contribution to deferred compensation. The OCFA contribution will be five hundred dollars ($500).

At any time, the Association may request that the Authority conduct a classification and/or compensation analysis of any of its bargaining unit classifications. The Authority is under no obligation to conduct the analysis and its decision as to whether to do so remains within its discretion and not subject to the filing of a grievance.

Section 2. Establishment of Base Salary for New Employees

1. The recruiting rate for the higher class; or

2. A five and one half percent (5.5%) increase over the salary received prior to promotion.

B. Any employee who is promoted to a class from which the employee was previously reduced without a salary decrease shall be placed at a salary rate no higher than the rate that the employee would have achieved if the employee had remained in the class to which he/she is promoted and had demonstrated at least standard performance.

C. Notwithstanding paragraph A of this Section, an employee who is promoted may receive a salary increase of up to fifteen percent (15%) if authorized by the Fire Chief upon recommendation of the Human Resources Director.

**Section 4. Base Salary on Reassignment or Reclassification**

The base salary of an employee who is reassigned or whose position is reclassified shall be determined as follows:

A. If the position is reassigned or reclassified to a class with the same salary range, the base salary of the employee shall remain the same as in the former class.

B. If the position is reassigned or reclassified to a class with a higher salary range, the employee’s compensation shall be moved to the higher range. The employee’s initial base salary in the new higher range shall either remain the same (if it is already within the higher range) or be increased at the discretion of the Human Resources Director.

C. If the position is reassigned or reclassified to a class with a lower salary range, the base salary of the employee shall be “Y-rated” and thus maintained and not increased until the employee’s base salary in the reassigned to or reclassified into position exceeds the employee’s previous compensation. “Y-rate” shall mean a pay outside of the assigned salary range of a class.

**Section 5. Base Salary on Reemployment**

A. A person who is reemployed in the bargaining unit who was a non-probationary employee when he/she left employment at the Authority may, upon approval of the Human Resources Director, be appointed at a rate higher than the recruiting rate, but no higher than the rate the person occupied at the time of separation.

B. A retiree of the Authority may be reemployed for the maximum allowable time under the law and may be appointed to the position at any rate on the salary range.

**Section 6. Working Out of Class**

1. Authority need,
2. Availability of a qualified replacement; and

<td>0.0347 hours for each regularly scheduled work hour paid</td>
</tr>
<tr>
<td>6,240.01 or more regularly scheduled hours</td>

D. Extra Help OCFAMA Employees – After thirty (30) calendar days of employment, extra help employees become eligible to earn three (3) days of paid sick leave annually. Extra help employees shall be eligible to apply sick leave to absences beginning on the ninetieth (90th) day of employment. Unused paid sick leave is not carried over from one year to the next. The annual paid sick leave allotment will be credited to the extra help employee’s sick leave accumulation account annually on the employee’s hire date. When an extra help employee separates employment and is rehired, his/her rehire date will be used to determine when he/she is credited his/her annual paid sick leave allotment.

E. Permitted Uses of Sick Leave

Sick leave may be applied to:

1. An absence necessitated by employee’s personal illness, injury, or disability due to pregnancy or childbirth.

2. Medical and dental office appointments when absence during working hours for this purpose is authorized by the employee’s supervisor.

3. Absence due to exposure to a contagious disease when quarantine is imposed by health authorities or when it is determined by a physician designated by the Authority that the presence of the employee on duty would endanger the health of others.
4. Absence from duty because the employee's presence is needed to attend to the serious illness of a member of his/her immediate family. For purposes of this paragraph, immediate family shall mean registered domestic partner, father, father-in-law, mother, mother-in-law, step-parent, brother, sister, wife, husband, child, step-child, grandparent, grandchild, step-grandchild, dependent adult or child for whom the employee is the legal guardian, or as otherwise defined by law.

For purposes of use of sick leave under this paragraph, employees are entitled to use up to one half of his/her annual accrued sick leave for the illness/injury of immediate family.

a. Extra help employees may also apply sick leave for themselves or an immediate family member for the preventative care or care of an existing health condition or for specified purposes if the employee is a victim of domestic violence, sexual assault, or stalking.

5. Illness while on paid vacation (this does not apply to Authority provided holidays) shall be charged to sick leave rather than vacation only under the following conditions:

a. The employee must notify his/her supervisor within four (4) calendar days of the beginning of the illness or prior to the end of his/her vacation, whichever is sooner, to request that his/her illness on vacation be charged to sick leave.

b. The Authority shall be under no obligation to extend the vacation beyond the original scheduled vacation ending date.

2. An employee may be required to furnish a certificate issued by a licensed physician or registered nurse or other Authority-approved evidence of illness, injury, or medical or dental office calls when the department has notified the employee in advance of such a requirement or when the employee has been under the care of a physician.

G. Sick Leave Payoff

1. An employee shall receive sick leave payoff as follows:

a. **Upon Paid Retirement or Death:** An employee or the employee's estate shall be paid for a portion of the employee's unused sick leave in an amount computed as provided below:
b. **During Employment:** For calendar year 2018 and 2019: Not more than once in each fiscal year, an employee who has accumulated unused sick leave in excess of two hundred eighty (280) hours shall, upon request, receive a payoff for up to one-third (1/3) of all his/her accumulated sick leave, provided that the remaining balance is not reduced below two hundred eighty (280) hours. The percentage of sick leave paid shall be computed based on years of continuous service in accordance with Section 1.G.1.a of this Article. The employee’s sick leave balance shall be reduced by the total number of hours elected and approved for payoff by the employee prior to the application of the eligible percentage described in Section 1.G.1.a of this Article.

Effective for calendar year 2020 and every year thereafter: By December 15 of each year (starting on December 15, 2019 for cash out in 2020), an employee who has accumulated unused sick leave in excess of two hundred eighty (280) hours may do either of the following:

i. Request that up to one-third of the balance above two hundred eighty (280) hours, but no more than the maximum permitted by IRS Code, be placed in to the employee’s deferred compensation account either with the pay day for pay period 12 or pay period 26; or

ii. Make an irrevocable election to cash out up to ninety-two (92) hours of accrued sick leave which will be earned in the following calendar year at the employee’s base rate of pay. In the following year, the employee can receive the cash for the sick leave he/she irrevocably elected to cash out in either two (2) separate increments of up to forty-six (46) hours each or one (1) increment of up to ninety-two (92) hours. The employee will be paid up to forty-six (46) hours on the pay day for pay periods 12 and 26 or the employee can elect to be paid up to ninety-two (92) hours on the pay period for pay period 26. However, at the time of cash out, the employee’s sick leave balance cannot be reduced below two hundred eighty (280) hours. Therefore, if based on the employee’s use of sick leave, cash out of sick leave would bring the employee’s balance below two hundred eighty (280) hours, the employee will only receive cash for the amount of leave that exceeds two hundred eighty (280) hours.

In addition to the above, starting in calendar year 2020, an employee who has an “unforeseen emergency” (defined as an unanticipated emergency that is caused by an event beyond the control of the employee and that would result in severe

financial hardship to the employee if early withdrawal were not permitted) shall be entitled to make a request to the Director of Human Resources for a payoff of accrued sick leave. The amount of sick leave which may be paid off is limited to the amount necessary to meet the emergency. The maximum payoff the employee can receive for an emergency is limited up to one-third (1/3) of all his/her accumulated sick leave, provided that the remaining balance is not reduced below two hundred eighty (280) hours.

If an employee makes an irrevocable election to cash out sick leave in the following calendar year and uses sick leave in that subsequent year, the sick leave used will come from sick leave the employee had earned prior to January 1 of the year the employee has elected to cash out sick leave. This is to ensure that assuming an employee had a sick leave balance prior to January 1, the sick leave used will not result in a reduction in the amount of sick leave the employee will be eligible to cash out.

If, during the year when an employee has made an irrevocable election to cash out sick leave, he/she was on leave without pay and did not earn the sick leave expected, the employee will still be able to cash out the sick leave the employee did earn even if reduced by the leave without pay.

If there is any change in the law regarding the payoff of sick leave or vacation which occur during the term of this MOU, the Parties agree that either party may reopen negotiations on this section of the MOU.

c. **Payment of Sick Leave to Deferred Compensation:** An employee who has given irrevocable written notice of his/her intent to retire at least thirty (30) calendar days prior to the effective date of his/her retirement, may request that the payoff of his/her accumulated sick leave be made to his/her deferred compensation account with the Authority up to the maximum amount permitted by the IRS Code and to the extent permitted under the provisions of Section 1.G.1.a of this Article. Such payoff shall be made prior to the effective date of employee’s retirement.

### Section 2. Vacation

<table>
<thead>
<tr>
<th>YEARS OF COMPLETED CONTINUOUS SERVICE</th>
<th>EQUIVALENT HOURS OF COMPLETED CONTINUOUS SERVICE</th>
<th>HOURLY ACCRUAL RATE</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 to 3 years</td>

<td>0.0577 hours for each regularly scheduled hour paid</td>
</tr>
<tr>
<td>After 3 years but less than 10 years</td>
<td>6,240.01 through 20,800.00 regularly scheduled hours</td>
<td>0.077 hours for each regularly scheduled hour paid</td>
</tr>
</tbody>
</table>
After 10 years  |  20,800.01 or more regularly scheduled hours |  0.0962 hours for each regularly scheduled hour paid

When it is determined to be in the best interest of the Authority, the Fire Chief may approve increased vacation accruals for new employees, using the rate as described above for employees with at least three years of continuous service.

B. Vacation Credit

Vacation credit shall be applied to the employee’s vacation accumulation account only upon completion of each pay period. No credit shall be applied during the progress of any pay period or for any portion of a pay period during which the employee terminates Authority service.

C. Maximum Allowable Vacation Accrual

1. For full time employees with less than ten (10) years of full-time continuous service: three hundred twenty (320) hours.

2. For part-time employees with less than ten (10) years of full-time continuous service: a prorated amount equal to eight (8) weeks of vacation for part-time employees.

3. For full time employees with more than ten (10) years of full-time continuous service: four hundred (400) hours.

4. For part-time employees with more than ten (10) years of full-time continuous service: a prorated amount equal to ten (10) weeks of vacation for part-time employees.

5. All vacation hours earned in excess of the maximum allowable vacation accrual shall be paid in the pay period earned.

D. General Provisions Applicable to Vacation

1. Not more than eighty (80) hours of paid time may be credited toward accumulation of vacation credit in any pay period.

2. A leave of absence without pay shall cause the ten (10) years of full-time Authority service (described on paragraph A above) to be postponed by the length of the leave.

3. In any use of vacation, an employee's account shall be charged to the nearest quarter hour.

4. Vacations shall be scheduled for employees by the Authority; however, consideration shall be given to effectuating the wishes of those employees requesting specific vacation periods.

5. Employees shall not be required to return to work during the time of his/her paid vacation except in cases of emergency.
6. No scheduled vacation shall be canceled, except in cases of emergency.

7. When an employee's Authority service consists of part-time regular service or a combination of full-time regular and part-time regular service, both periods of service shall apply towards the required ten (10) years of Authority service, with the part-time service being applied proportionately to the appropriate full-time interval.

8. No employee shall be permitted to work for compensation for the Authority in any capacity during the time of his/her paid vacation from the Authority service. Employees are permitted to receive reimbursements for voluntary service as Reserve Firefighters while on paid vacation from Authority service.

E. Vacation Payoff

1. An employee separating from Authority service for reasons other than paid Authority retirement shall be paid for all accrued vacation in a lump sum payment. An employee who is separating from Authority service by way of paid Authority retirement may elect either to take time off for his/her vacation or to be paid for his/her vacation in a lump sum payment.

2. For calendar year 2018 and 2019: An employee may request to be paid for accrued vacation in either two (2) separate increments of up to forty (40) hours each or one (1) increment of up to eighty (80) hours. An employee who is within fifteen (15) hours of the applicable maximum allowable vacation accrual (as set forth in paragraph C above) may request to be paid for one (1) additional increment of up to eighty (80) hours in each fiscal year.

3. Effective for calendar year 2020 and every year thereafter: By December 15 of each year, an employee may make an irrevocable election to cash out up to eighty (80) hours of accrued vacation leave which will be earned in the following calendar year at the employee’s base rate of pay. In the following year, the employee can receive the cash for the vacation leave he/she irrevocably elected to cash out in either two (2) separate increments of up to forty (40) hours each or one (1) increment of up to eighty (80) hours. The employee would be paid forty (40) hours on both the pay day for pay periods twelve (12) and twenty-six (26) or the employee can elect to be paid eighty (80) hours on the pay day for pay period twenty-six (26). However, if the employee’s vacation balance is less than the amount the employee elected to cash out (in the prior calendar year) the employee will receive cash for the amount of leave the employee has accrued at the time of the cash out.

The employee may alternatively choose to have the value of up to eighty (80) hours of vacation which the employee can otherwise cash out placed into the employee’s deferred compensation account. If the employee chooses that option (as opposed to taking cash) the maximum hours (in dollars) the employee can defer to his her deferred compensation account cannot exceed the maximum permitted by the IRS Code.

In addition to the above, starting in calendar year 2020, an employee who has an “unforeseen emergency” (defined as an unanticipated emergency that is caused by an event beyond the control of the employee and that would result in severe financial
hardship to the employee if early withdrawal were not permitted) shall be entitled to make a request to the Director of Human Resources for a payoff of accrued vacation leave. The amount of vacation leave which may be paid off is limited to the amount necessary to meet the emergency. The maximum payoff the employee can receive for an emergency is limited up to eighty (80) hours of all his/her accrued vacation leave.

If an employee makes an irrevocable election to cash out vacation leave in the following calendar year and uses vacation leave in that subsequent year, the vacation leave used will come from vacation leave the employee had earned prior to January 1 of the year the employee has elected to cash out vacation leave. This is to ensure that assuming an employee had a vacation leave balance prior to January 1, the vacation leave used will not result in a reduction in the amount of vacation leave the employee will be eligible to cash out.

If, during the year when an employee has made an irrevocable election to cash out vacation leave, he/she was on leave without pay and did not earn the vacation leave expected, the employee will still be able to cash out the vacation leave the employee did earn even if reduced by the leave without pay.

4. Has retired from the Authority; or

5. Is terminated from the Authority.

An employee who does not return to work within two (2) weeks of the end of his/her Workers' Compensation Leave pursuant to this provision shall be considered to have automatically resigned his/her employment with the Authority.

Section 9. Catastrophic Leave

A. Eligibility for Donations - To receive Catastrophic Leave Donations, an employee or his/her immediate family member (immediate family member is defined as father, father-in-law, mother, mother-in-law, step-parent, brother, sister, wife, husband, child, step-child, grandparent, registered domestic partner, or legal guardian) must:

1. Have a catastrophic medical condition that shall require the employee to be on unpaid Leave.

2. Exhaust all allowable accrued sick leave, vacation, and compensatory time.

3. Submit to the employee’s Director/Assistant Chief (or his/her designee) a written request for donations accompanied by a medical statement from the employee’s or family member’s attending physician. The attending physician’s statement must verify the employee’s need for an extended Medical Leave or the need for the employee to take leave to care for a member of his/her immediate family, and must include an estimated time the employee shall be unable to work.

B. Request for Additional Donations

1. Employees who receive donations and who exhaust all donated sick leave may request an additional donation period(s).

C. Donation Procedure

1. Upon receipt of a valid request for donations from an eligible employee, the Director/Assistant Chief (or his/her designee) shall post a notice of the eligible employee’s need for donations on the Authority e-mail system, bulletin boards, or other means of notification accessible to employees. Confidential medical information, unless voluntarily provided by the employee to the Authority, shall not be included in the posted notice.

2. Employees shall be provided a two (2) week period to submit their donations; donations received after the submission period shall not be processed.
3. All donations shall be voluntary.

4. Employees may donate vacation or compensatory time to the eligible employee's catastrophic leave bank; sick leave may not be donated.

5. Donations must be a minimum of two (2) hours, but cannot exceed eight (8) hours; all donations must be made in whole hour increments.

6. All donations shall be irrevocable.

7. At the close of the donation period, the Finance Division shall verify the hourly rate of the donating employee and confirm that each donating employee has accrued time balances sufficient to cover the designated donation.

8. The Finance Division shall process all donations at one (1) time; no additional donations shall be processed.

9. The Authority shall convert the donated time to dollars at the hourly rate of the donor. The dollars shall then be converted to accrued vacation and sick leave, as described herein, at the hourly rate of the recipient of the donation. Donated converted hours shall first be added to the recipient’s accrued vacation, to the maximum permitted under Article V, Section 2(C). The balance of the donated converted hours shall then be added to the recipient’s sick leave account. These donated vacation and sick leave hours shall be available for use during the recipient’s Catastrophic Leave. If any donated hours remain at the end of the recipient’s Catastrophic Leave, they shall remain available for the sole use of the recipient. If the recipient dies during the Catastrophic Leave, all unused donated time shall be converted to dollars at the hourly rate of the recipient and paid to the recipient’s surviving spouse or estate in the same manner as any monies due for vacation and/or compensatory time.

10. An employee who is using a Catastrophic Leave donation shall not have that time count for purposes of probation and merit increase eligibility. The probation period and time for eligibility for a merit increase shall be extended by the length of the use of Catastrophic Leave.

Section 10. Paid Annual Leave

A. Employees are eligible to use paid annual leave (PAL) in addition to their other accrued leave as follows:

1. In the year in which an employee completes his/her new hire probation with the Authority, an employee will be eligible to take up to forty (40) hours of PAL time off once completing probation as well as in each subsequent calendar year.

2. For employees who have passed their new hire probation with the Authority, on January 1 of each year, employees will receive forty (40) hours of PAL time to use throughout that calendar year.

3. PAL time may not be accrued and must be used within the year earned, which shall be no later than December 31 of that year. If any of the forty (40) hours of PAL are not
used by the employee, it will result in the employee’s PAL bank being increased for
the following year so that he/she has exactly forty (40) hours to use within that calendar
year. At no time can the employee have more than forty (40) hours in his/her PAL
bank.

4. As permitted by Labor Code Section 227.3, PAL may not be cashed-out at any time,
including at the end of employment.

5. Approval to use PAL is subject to operational need and the requests should be made
in advance. If a specific date is denied, the approving manager will attempt to
schedule a mutually agreeable alternate date. Such alternate dates must be
scheduled within the year the PAL is earned.
ARTICLE VI

EMPLOYEE/EMPLOYER RELATIONS

Section 1. Discipline

Employee discipline, including the process for issuing discipline and employee appeal rights, are included in this Section.

A. Suspension, Reduction in Pay, Demotion or Discharge

1. An employee subject to suspension, reduction in pay, demotion or discharge shall receive a written notice of proposed disciplinary action. Except for proposed notice of suspension of forty (40) hours or less (which may be issued at any time prior to the effective date of the discipline) the notice will be issued at least fourteen (14) calendar days prior to the effective date of the proposed action and shall contain:

   a. A description of the proposed action and its effective date(s);

   b. A statement of the alleged facts which support the proposed action as well as the grounds which are supported by the alleged facts;

   c. Copies of documents or other evidence on which the proposed action is based will be attached;

   d. A statement of the employee's right to respond, either orally or in writing, prior to the effective date of such proposed action;

   e. A statement of the employee's right to representation; and

   f. A statement of the employee's right to appeal should such proposed action become final.

2. Prior to the effective date of a suspension of more than forty (40) hours, reduction in pay, demotion or discharge, an employee shall be given an opportunity to respond, either orally or in writing, at the employee's option, to a designated Authority representative with the authority to make an effective recommendation on the proposed disciplinary action.

3. An employee shall be given reasonable time off without loss of pay to attend a meeting (known as a Skelly meeting) (if the employee chooses to respond orally) to respond to the notice of proposed discipline.

4. An employee may represent himself/herself or may be represented by his/her representative in the disciplinary process.

5. An employee and his/her representative shall receive written notice sustaining, modifying, or canceling a proposed discipline on or prior to the effective date of such action.
6. Should a proposed discipline become final, an employee shall receive a written notice of discipline which will include the employee’s right to appeal such action pursuant to paragraph C of this Section.

B. Written Reprimand or Denial of Merit Increase

1. A written reprimand or denial of a merit increase requires reasonable cause.

2. An employee may challenge a written reprimand or denial of merit increase as set forth below in paragraph D.

C. Right to Appeal

1. Employees who receive a Notice of Proposed Discipline as well as a Notice of Discipline shall have the right to respond prior to the discipline being imposed as well as a right to appeal the discipline per the appeal procedure in paragraph D below.

2. If an employee does not comply with the time limits set forth in the appeal procedure in paragraph D below, the employee has waived his/her right to further process the appeal, and the disciplinary action shall be issued. Failure by the Authority representative to timely respond to the time limits set forth in paragraph D shall permit the employee to progress the appeal to the next step.

3. The time limits for appeals may be extended by mutual agreement between the Authority representative and employee or his/her representative.

D. Appeal Procedure – The Skelly Process and Appeal Process

1. The appeal procedure shall include two internal steps as well as an ability of an employee to request arbitration as set forth below.

2. All appeals must be submitted to the Human Resources Director who administers employee discipline. Submission of the appeal may be via mail, email, or hand delivery. The appeal must be delivered no later than 5:00 p.m. on the last day allowable under the provisions of this Section.

   a. STEP 1

   i. Written Reprimand or Performance Salary Increase Denial

      Upon receipt of a written reprimand or denial of a performance salary increase, an employee may, within fourteen (14) calendar days of receipt of such notice, submit a request to the Human Resources Director for a meeting to address the matter. The Human Resources Director shall schedule a meeting with the appropriate Authority representative to hear the employee’s presentation. After the employee’s presentation, a written determination shall be made within fourteen (14) calendar days.
ii. Suspension, Reduction in Pay, Demotion or Discharge

Upon receipt of a notice of intent to suspend, reduce in pay, demote or discharge an employee may, within fourteen (14) calendar days of receipt of such notice, submit a request to the Human Resources Director, for a meeting (called a Skelly meeting) to address the charges in the notice. The Human Resources Director shall schedule the meeting with the appropriate Authority representative to hear the employee's presentation. After the employee's presentation, a written determination shall be made within fourteen (14) calendar days.

b. STEP 2

i. Written Reprimand or Performance Salary Increase Denial

If the employee does not agree with the outcome in Step 1, the employee may, within fourteen (14) calendar days of receipt of the Step 1 written determination, submit a written appeal to the Human Resources Director. Within fourteen (14) calendar days of receipt of the appeal at Step 2, the appropriate Authority representative shall meet with the employee (including with the employee’s representative if represented). Within fourteen (14) calendar days thereafter, a written decision shall be provided to the employee and his/her representative if represented. The determination shall be final and binding and not referable to arbitration.

ii. Suspension, Reduction in Pay, Demotion or Discharge

If the employee does not agree with the outcome in Step 1, the employee may within fourteen (14) calendar days of the receipt of the Step 1 written determination submit a written appeal to the Human Resources Director. Within fourteen (14) calendar days of receipt of the appeal, the appropriate Authority representative shall meet with the employee (including with the employee’s representative if represented). Within fourteen (14) calendar days thereafter, a written decision shall be provided to the employee and his/her representative if represented.

c. Arbitration

i. For a suspension, reduction in pay, demotion or discharge, if the employee does not agree with the outcome at Step 2 the employee may appeal the matter to arbitration which shall be held in private, (i.e., not a public hearing) by submitting the appeal in writing (and signed by the employee and/or his her representative if represented) to the Human Resources Director within fourteen (14) calendar days from the date of receipt of such Step 2 decision.

ii. Finding of Facts and Remedies

An arbitrator may sustain, modify, or rescind an appealed disciplinary action as follows and subject to the following restrictions:
First, the arbitrator shall determine if the grounds for discipline were proven by the Authority. Second, the arbitrator shall determine if the penalty imposed was appropriate given the proven grounds (which are supported by the facts alleged). If the arbitrator finds that the discipline was appropriate, he/she shall so find and the discipline is then sustained.

If the arbitrator finds that either the grounds alleged were not proven or the penalty imposed was not appropriate given the grounds that were proven, he/she shall have the authority to issue a decision which either modifies the discipline or concludes that it was issued without just cause.

If the arbitrator finds that the discipline was issued without cause, the employee shall be entitled to back pay and benefits and if appropriate (for demotions and discharge) restoration to the position from which he was discharged or demoted. Restoration of pay and benefits shall be subject to deduction of all unemployment insurance, applicable taxes and withholdings, and outside earnings that the appellant received since the date of discharge if applicable.

E. General Provisions Regarding Discipline and the Disciplinary Process

1. The cost of an arbitrator shall be shared equally in all cases by the Authority and the Association (if the Association is paying for any part of the employee’s appeal) or solely by the Authority if the Association is not providing any financial support to the employee appealing his/her discipline.

2. Arbitration appeal hearings for suspensions of less than forty (40) hours shall be limited to one (1) day, unless both parties agree that a longer hearing is necessary. Both parties shall be allotted equal time during arbitration hearings involving such suspensions.

3. The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be obtained from the California State Mediation and Conciliation Service, and each party shall alternately strike one (1) name from the list until only one (1) name remains. The parties will flip a coin to determine who will strike the first name.

4. Upon written request by the opposing party in a pending hearing given at least twenty-eight (28) calendar days prior to the scheduled hearing date, the party requested shall supply to the party submitting the requested copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than fourteen (14) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing, except that any such documentary evidence discovered by a party after such a request for copies, but not soon enough to comply with the above time limits, may be admitted, provided it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.
5. An employee shall not suffer loss of pay for time spent as a witness at an arbitration hearing held pursuant to this procedure. The number of witnesses requested to attend and their scheduling shall be reasonable and scheduled in advance.

6. At the hearing, both the employee and/or his/her representative and the Authority shall have the right to be heard and to present evidence. The following rules shall apply:
   a. Oral evidence shall be taken only on oath or affirmation.
   b. Each party shall have these rights: to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness to testify, and to rebut the evidence against the witness. If the employee does not testify in his/her own behalf, the employee may be called and examined as if under cross-examination.

7. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule that might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding, unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are not, or hereafter may be, recognized in civil actions, and irrelevant and unduly repetitious evidence shall be excluded.

8. The Authority shall be allowed to have at least one (1) employee who may be called upon to testify as a witness present at the arbitration hearing at all times.

9. The decision of the arbitrator shall be final and binding on all parties.

Section 2. Grievance Procedure

A. Scope of Grievances

A grievance may be filed by an employee or the Association for an alleged violation of this MOU or to challenge a performance evaluation rated substandard. Although not a grievance, if an employee has a problem relating to a work situation, the employee is encouraged to request a meeting with his/her immediate supervisor to discuss the problem in an effort to clarify the issue and to work cooperatively towards a satisfactory resolution.

B. Processing a Grievance

The grievance procedure set forth below must be followed to process a grievance.

Grievances must be submitted to the Human Resources Director within the time limits outlined in this Section. Submission may be via mail, hand delivery, or email, but must be delivered no later than 5:00 p.m. on the last day allowable under the provisions of this Section. A grievance may be filed by an employee or the employee’s representative in the name of
the employee, at the employee’s request as well as by the Association.

1. STEP 1:

A grievance must be submitted in writing within fourteen (14) calendar days from the occurrence that gave rise to the problem and shall state the nature of the grievance and the requested remedy. A Step 1 grievance shall be heard by an appropriate Authority representative who has authority to consider the grievance. Within fourteen (14) calendar days after receipt of the written grievance, the employee (including his/her representative) and/or the Association representative shall meet with the grievant in an attempt to resolve the grievance. Within fourteen (14) calendar days of that meeting, the Authority representative will then issue a decision at Step 1. The grievance will either be resolved to the satisfaction of the grievant (employee or association) or the grievant has the right to request that the grievance be submitted to step 2.

2. STEP 2:

If the grievance is not resolved at Step 1 and it alleges a misinterpretation or misapplication of this MOU, it may be appealed in writing to the Human Resources Director within fourteen (14) calendar days after receipt of the written decision from Step 1. Within fourteen (14) calendar days after receipt of the written Step 2 grievance, the Fire Chief or his/her designee shall meet with the grievant and his/her representative to try and resolve the grievance. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant and his/her representative. The decision of the Fire Chief or his/her designee, regarding a substandard performance evaluation, shall be final and binding and shall not be referable to arbitration. If the grievance alleges a misinterpretation or misapplication of this MOU, it may be appealed further to arbitration.

A. Mediation

A grievant who is not satisfied with the decision at Step 2 has the right (but not the obligation to request that the grievance be submitted to mediation to attempt to resolve. Mediation is a non-binding process where the parties utilize the services of a mediator to try and reach an amicable resolution of the grievance. If mediation is chosen, the parties can either agree on a mediator they both wish to use or the Authority will contact the State Mediation and Conciliation Service to appoint a mediator. The grievance will either be resolved to the satisfaction of the grievant (employee or association) or the grievant has the right to request that the grievance be submitted to arbitration.

B. Arbitration

If a grievance is not resolved at Step 2 (or at mediation if that process is used) the grievant may request that it be submitted to arbitration. Such a request must be made within fourteen (14) calendar days from the date a decision was rendered at Step 2 or the completion of the mediation process. The arbitrator shall conduct a private hearing (i.e., not in public). The process for that hearing is set forth below.
1) If the grievance is decided by an arbitrator, the grievant and his/her representative shall relinquish any current or future claim to seek or obtain remedy through any other Authority appeal procedures.

2) The cost of an arbitrator shall be shared equally in all cases by the Authority and the grievant.

3) The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be obtained from the California State Mediation and Conciliation Service, and each party shall alternately strike one (1) name from the list until only one (1) name remains. The parties will flip a coin to determine who will strike the first name.

4) Upon written request by the opposing party in a pending hearing given at least twenty-eight (28) calendar days prior to the scheduled hearing date, the party requested shall supply to the party submitting the request copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than fourteen (14) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing, except that any such documentary evidence discovered by a party after such a request for copies, but not soon enough to comply with the above time limits, may be admitted, provided it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.

5) An employee shall not suffer loss of pay for time spent as a witness at an arbitration hearing held pursuant to this procedure. The number of witnesses requested to attend and their scheduling shall be reasonable and scheduled in advance.

6) At the hearing, both the employee and/or the employee’s representative and the Authority shall have the right to be heard and to present evidence. The following rules shall apply:

   i. Oral evidence shall be taken only on oath or affirmation.

   ii. Each party shall have these rights: to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness to testify, and to rebut the evidence against the witness. If the employee does not testify in his/her own behalf, the employee may be called and examined as if under cross-examination.

   iii. The hearing need not be conducted according to technical rules relating to
evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule that might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding, unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now, or hereafter may be, recognized in civil actions, and irrelevant and unduly repetitious evidence shall be excluded.

iv. The Authority shall be allowed to have at least one (1) employee who may be called upon to testify as a witness present at the arbitration hearing at all times.

v. The decision of the arbitrator shall be final and binding on all parties.

C. General Provisions Grievances

1. If an employee does not present a grievance or does not appeal the decision rendered regarding his/her grievance within the time limits, the grievance shall be considered resolved.

2. If an Authority representative does not render a decision to the employee within the time limits, the employee may, within fourteen (14) calendar days, thereafter appeal to the next step in the procedure.

3. If it is the judgment of any management representative that he/she does not have the authority to resolve the grievance, he/she may refer it to the next step in the procedure. By mutual agreement of the Authority and the employee and/or his/her representative, Step 1 of the grievance procedure may be waived.

4. Upon prior written consent of the parties (i.e., the representatives of the Authority and the employee or his/her representative), the time limits at any step in the procedure may be extended.

5. Every reasonable effort shall be made by the employee and the Authority to resolve a grievance at the lowest possible step in the grievance procedure.

6. In order to encourage candid discussion and compromise in attempting to resolve grievances, the Authority and the employee and/or his/her representative agree that the grievance files of the respective parties shall be confidential.

7. If any two (2) or more employees have essentially the same grievance, they may, and if requested by the Authority must, collectively present and pursue their grievance if they report to the same immediate supervisor.

8. If the grievant is a group of more than three (3) employees, the group shall, at the request of the Authority, appoint one (1) or two (2) employees to speak for the collective group.
9. An employee may represent himself/herself or may be represented by his/her representative in the formal grievance procedure.

D. Time Off for Processing Grievances

1. Reasonable time off without loss of pay shall be given to:

   a. An employee who has a grievance, in order to attend a meeting with his/her supervisor or other person with authority to resolve the matter, as prescribed herein.

   b. An authorized grievance representative, in order to attend a meeting with the represented grievant’s supervisor or other person with authority to resolve the grievance, or to obtain facts concerning the action grieved through discussion with the grievant or other employees.

2. The following restrictions shall apply in all cases to activities related to processing a grievance:

   a. Before performing any activities related to processing a grievance during work hours, the grievant or grievance representative shall obtain permission of his/her supervisor, if applicable, and shall report back to the supervisor when the activity is completed.

   b. Neither the grievant nor the grievance representative shall interrupt or leave his/her job to perform such activities unless his/her supervisor determines that such interruption or absence shall not unduly interfere with the work of the unit in which the grievant or representative is employed. However, an effort shall be made to grant such time off as soon as it is feasible to do so.

   c. When an authorized grievance representative must go into another Section or unit to investigate a grievance, if applicable, the representative shall be permitted to do so provided that:

      i. The representative checks in and checks out with the supervisor of the unit; and

      ii. Such investigation will not unduly interfere with the work of the unit.

Section 3. Layoffs

The Authority shall follow the Layoff Procedure set forth in the Personnel and Salary Resolution.

A new or reemployed employee who has been out of Authority service for more than two (2) years, employed in a part-time position, shall be placed on new probation for two thousand eighty (2,080) paid hours ending with the first day of the pay period following completion of said period.

When an employee is promoted, demoted or reassigned as a result of the employee’s position being reclassified and the class from which the employee is promoted, demoted or reassigned is subsequently deleted or abolished, the incumbent employee shall not be required to serve a promotional probation period.

C. Failure of Probation

1. New Probation

   An employee on new probation may be released from service at the sole discretion of the Authority at any time without right of appeal.

2. Promotional Probation

   a. An employee on promotional probation may be rejected from probation at any time at the sole discretion of the Authority at any time without right of appeal

   b. When an employee fails his/her promotional probation, the employee shall have the right to return to his/her former class, provided the employee was not in the previous class for the purpose of training for a promotion to a higher class.

   c. When an employee is returned to his/her former class under the provisions of this Section, the employee shall serve the remainder of any uncompleted probationary period in the former class.

   d. If the employee’s former class has been deleted or abolished, the employee shall
have the right to return to a class (assuming the employee meets the minimum qualifications for the job) in his/her former occupational series closest to, but no higher than, the salary range of the class that the employee occupied immediately prior to promotion and shall serve the remainder of any probationary period not completed in the former class.

e. An employee who fails promotional probation shall receive a performance evaluation stating the reason for failure of promotional probation.

D. General Provisions Regarding Probationary Periods

1. For purposes of this Section, two thousand eighty (2,080) hours shall equal fifty-two (52) weeks.

2. When an employee successfully completes probation, it shall be based upon a written performance evaluation which shall be discussed with the employee. An employee who is permitted by the Authority to work beyond the end of a probation period shall be deemed to have passed such probation period.

E. Extension of Probation Periods
