Section 2. Conflict of Interest

- A. Authority employees shall refrain from engaging in any activities that constitute a conflict of interest due to the nature, conditions, or some other aspect of the activity. It shall be the responsibility of the Fire Chief to ensure that employees in the Authority refrain from engaging in any activities that constitute a conflict of interest. The following are examples of activities that may involve a conflict of interest:
 - 1. The use of Authority time, facilities, equipment, badge, or uniform for private gain or advantage, or private gain or advantage of another.
 - 2. The use of prestige or influence of Authority employment for private gain or advantage, or the private gain or advantage of another.

 - 5. The performance of an act in other than his/her capacity as an Authority employee knowing that such act may later be subject directly or indirectly to the control, inspection, review, audit, or enforcement by the employee or the Authority.
 - 6. The representation of or assisting in the representation of private interests for profit before any board or committee of the Authority or in court when the Authority is a party.
 - 7. The solicitation of future employment with a business doing business with the Authority over which the employee has some control or influence in his/her official capacity at the time of transaction.

Section 3. Employment of Relatives

A. Purpose

1. To provide guidelines for employment of close relatives as situations involving relatives working in the Authority may result in morale problems, inappropriate supervision, conflict of interest, or public criticism. The intent is to avoid the opportunity for an officer or employee of the Authority to use personal influence to aid or hinder another in the employment setting or situation because of a personal relationship.

B. Policy

1. General: No person may be appointed, promoted, reduced, transferred, or reassigned to a position in which that person is in the direct line of supervision of a close relative; nor shall close relatives have the same immediate supervisor. "Supervision" includes the assignment of work, evaluation of performance, and setting or influencing the pay or granting of benefits to the other.
2. Definition: A close relative shall be defined as an individual related by blood, adoption, or marriage, e.g., spouse, parent, child, sibling, grandparent, grandchild, uncle, aunt, first cousin, nephew, niece, mother/father in-law, son/daughter in-law, sister/brother in-law, step- parent, step-child, step-brother/sister or half-brother/sister.
3. Disclosure: All applicants for employment, promotion, reduction, transfer, or reassignment to a position in the Authority shall be required to disclose the name(s) and position title(s) of any close relative currently employed in the Authority prior to appointment, promotion, reduction, transfer, or reassignment. An employee who becomes a "close relative" by marriage subsequent to appointment shall disclose the new relationship(s) to his/her supervisor.
4. The Human Resources Director shall provide appropriate forms and procedures for the disclosure process.
5. Exemptions: The Fire Chief may grant exemptions required for the effective and efficient operation of the Authority. The Fire Chief shall develop appropriate procedures to ensure the objective review of requests for exemption.

C. Procedure for Exemption From Policy

1. The hiring supervisor shall request authority for an exemption from policy from the Fire Chief prior to appointing, promoting, reducing, transferring, or reassigning a close relative of an employee, if such action shall result in a violation of policy above.
2. The written request for exemption from policy shall include:
 - a) Names of prospective employee and known close relative employee(s) and relationship(s).
 - b) Titles and summary of duties, and work relationship of affected positions.

- c) Qualifications of applicant indicating why the selected applicant is the best qualified or better qualified than other candidates.
 - d) Justification for exemption, indicating why it is necessary for the effective and efficient operation of the Authority and including a statement of why supervisor believes problems shall not result.
- 3. The Fire Chief shall approve or disapprove supervisor's recommendation and notify the Human Resources Director of specific reasons for decision. Upon request, the Human Resources Director shall review and provide comments to the Fire Chief. The Human Resources Director shall maintain a listing of exemptions granted after the effective date of this policy.
- 4. When an exemption is granted for a close relative of the Fire Chief, the Board shall be promptly notified.

Section 4. Drug and Alcohol Policy

A. Purpose

It is the purpose of this policy to articulate the position of the Authority Board with respect to the use of drugs or alcohol by Authority employees while on Authority time, in Authority vehicles, on Authority property, or in Authority facilities.

B. Policy

In recognition of the duties entrusted to the employees of the Authority and with knowledge that drugs and alcohol do hinder a person's ability to perform duties safely and effectively, the Board adopts the following policy:

- 1. It is the policy of the Authority to maintain a safe, healthful, lawful, and productive workplace. Members of the Board are committed to discouraging alcohol and drug abuse and to achieving a workforce free from the influence of drugs and alcohol.
- 2. It is the intent of this policy to deter the misuse or abuse of legal or illegal substances that create a threat to the safety and health of any Authority employee or member of the public. The Authority is concerned with those situations where the use of alcohol and drugs interferes with any employee's safety and job performance, adversely affects the job performance or safety of other employees, or affects the safety of the public.
- 3. The Authority has established a voluntary Employee Assistance Program to assist all Authority employees who wish to seek help for alcohol and drug problems. The Authority also makes available a variety of insurance coverage that provides treatment for drug and alcohol abuse. Employees may contact their supervisors, insurance provider, or the Employee Assistance Program for additional information.
- 4. The use, possession or sale of illegal drugs is unlawful, dangerous, and prohibited. The use of alcohol in the workplace, or prior to coming to the workplace so that the employee's performance is impaired is dangerous to the employee, to other employees, and the general public and is prohibited. The abuse of all drugs, including alcohol by employees is unacceptable since it can adversely affect health and safety, security and productivity, as well

as public confidence and trust.

5. Violation of this policy may be grounds for disciplinary action up to and including discharge from Authority service. The Authority may develop additional policies or work rules to augment the above policy statement.
6. Employees who experience drug or alcohol problems are encouraged to seek referral for rehabilitation through the Employee Assistance Program (EAP) or their insurance provider. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems. Once a violation of this policy occurs, subsequent use of the Employee Assistance Program or other programs on a voluntary basis shall not necessarily lessen disciplinary action.

Section 5. Position Classification Plan

- A. The Position Classification Plan of the Authority shall consist of the class titles and the class specifications adopted by the Board. There shall be a class specification for each class (unless exempted by the Board) that includes the title of the class and indicates the type of work performed and the minimum qualifications for employment. Class specifications shall be established by the Board of Directors and maintained current by the Human Resources Director in the following areas: 1) legal requirements for licensure, 2) Fair Labor Standards Act (FLSA) mandates, and 3) organizational changes to reporting relationships.
- B. The Human Resources Director shall administer the Position Classification Plan for all positions in the Authority service, except those designated by the Board as being exempted. The Human Resources Director shall make recommendations to the Board as to the establishment of classes. The Human Resources Director shall establish procedures to administer the Position Classification Plan.
- C. The Human Resources Director is authorized to conduct studies of the duties and responsibilities of the various positions in order to maintain the Position Classification Plan.

Section 6. Number and Classification of Activated Positions

- A. The number of activated regular positions shall be as designated by the Board. The Fire Chief shall not appoint regular or probationary employees in excess of the positions activated by the Board, except that the Fire Chief, with notification to the Human Resources Director, may fill a regular position with a replacement up to twenty-eight (28) calendar days in advance of the separation of a terminating employee.
- B. The Human Resources Director is authorized to reclassify positions when such reclassifications are consistent with classification concepts, classification specifications, and salaries adopted by the Board, and the Fire Chief agrees with the classification change.
- C. The Human Resources Director may authorize that a regular position be used as one (1) or more part-time regular positions, provided that the total regularly scheduled hours of the part-time positions do not exceed the number of hours per

week authorized for the activated regular position.

- D. The Fire Chief may appoint limited-term or extra help employees subject to a determination by the Human Resources Director as to the appropriate classification of the positions. Ordinarily, a full-time extra help position shall not be authorized for a period exceeding six (6) months. In unusual circumstances, and at the discretion of the Fire Chief and the Human Resources Director, a full-time extra help position may be authorized for a period longer than six (6) months, provided such period shall not exceed one (1) year.
- E. When a regular or limited-term position is vacant due to Leave of Absence, the position may be filled for the length of the immediately preceding Authority Leave, Official Leave, Leaves for disability reasons, Military Leave, Parenthood Leave, or other loan program and any extensions of such Leaves.
- F. When an employee who is separating from Authority service by way of paid Authority retirement elects to take time off for vacation, the position to be vacated may be filled by the Authority for the length of vacation time off prior to the employee's paid retirement.
- G. When a regular or limited-term employee is on a Leave of Absence with Pay and the cost of the employee's salary and benefits is fully reimbursed to the Authority, the employee's position may be filled by the Authority for the length of the paid Leave.

Section 7. Selection Procedures

- A. Consistent with Section 1.A of this Article, the Human Resources Director shall determine the method of evaluating the qualifications of applicants and employees. The Human Resources Director shall administer the Authority Merit System Selection Rules and Appeals Procedure. Such Rules may be revised by the Human Resources Director, provided that no revision that nullifies the basic principle of a merit system shall be effective, unless approved by the Board.
- B. Consistent with Section 1.A of this Article, the Human Resources Director shall determine the selection methods for the filling of all positions. The Fire Chief shall appoint and promote only from among those persons who are certified to him/her by the Human Resources Director as being eligible for the particular class, except as provided in the Authority's Merit System Selection Rules and Appeals Procedure. An appropriate form shall be signed by the Fire Chief or his/her designee and approved by the Human Resources Director before salary payment shall be made to any employee.
- C. When the Authority assumes or absorbs the functions and personnel of another government agency, the Human Resources Director may waive or modify the regularly established minimum qualifications and selection procedures for the employees involved.

Section 8. Performance Evaluations

- A. The Human Resources Director is authorized to establish a performance evaluation program for the Authority.

Section 9. Administrative Leave

- A. The Human Resources Director may authorize an employee to be absent with pay from his/her regular work area for reasons other than physical or mental illness for a period of time not to exceed one hundred twenty (120) regularly scheduled working hours, if the Fire Chief finds that such absence:
 - 1. Contributes to the employee's effectiveness in his/her assigned duties and responsibilities; or
 - 2. Contributes to the functions and goals of the Authority.
- B. An employee may be absent with pay from his/her regular work area in excess of one hundred twenty (120) regularly scheduled working hours upon the approval of the Human Resources Director and the Fire Chief. Requests for an absence with pay from the regular work area in excess of one hundred twenty (120) regularly scheduled hours shall state specifically the reason for the request and the beginning and ending dates of the absence. For purposes of this Section, regular work area shall mean the geographic area to which the employee is typically and appropriately assigned to work during the usual course of employment.

Section 10. Military Leave of Absence

- A. A request for Military Leave of Absence shall be made upon forms prescribed by the Human Resources Director and shall state specifically the reason for the request, the date when it is desired to begin the Leave of Absence, and the probable date of return. Military Leave is governed by provisions of the Military and Veterans Code of the State of California. An employee receiving pay for a portion of such Leave shall not be deemed to be occupying a position during such paid Leave period. When a regular position is vacant due to a Military Leave of Absence, the position may be filled for the length of that Leave.

Section 11. Time Off for Voting

- A. If an employee does not have sufficient time outside of working hours to vote at a State-wide election, the employee may, without loss of pay, take off enough working time that when added to the voting time available outside of working hours shall enable the employee to vote.
- B. No more than two (2) hours of the time taken off for voting shall be without loss of pay. The time off for voting shall be only at the beginning or end of the regular working shift/day, whichever allows the most free time for voting and the least time off from the regular working shift/day, unless otherwise mutually agreed.

- C. If the employee on the third working day prior to the day of election, knows or has reason to believe that time off shall be necessary to be able to vote on election day, the employee shall give his/her supervisor at least two (2) working days' notice that time off for voting is desired in accordance with the provisions of this Section.

Section 12. Provisional Appointment

- A. A provisional appointment shall not extend beyond the time needed to establish an eligible list and permit a regular appointment to be made. A provisional appointment shall not be continued for more than six (6) months from date of appointment, unless an extension of no more than one (1) year from the original date of the provisional appointment is approved by the Human Resources Director.
- B. A probationary, regular, or limited-term employee shall not be eligible for a provisional appointment.
- C. A provisional employee shall not serve a probationary period. If a provisional employee receives a regular appointment, the employee shall serve a new probationary period. A provisional employee who receives a regular appointment shall maintain his/her original hire date for purposes of vacation and sick leave accrual, retirement, and layoff.
- D. A provisional employee may be released from service at any time without right of appeal or hearing.
- E. Provisional employees shall earn all other benefits that accrue to regular employees, except for rights and benefits pursuant to the Layoff Procedure provided for in the applicable Memoranda of Understanding or Personnel and Salary Resolution.

ARTICLE II

PAY PRACTICES

Section 1. Method of Compensation for Employees

- A. Employees shall receive compensation at the biweekly or hourly rate within the range or at the flat rate assigned to the class in which they are employed.
- B. The Human Resources Director is authorized to create a table of class titles, pay rates, and salary schedules consistent with actions taken by the Board authorizing such titles and rates of pay. The Human Resources Director may also change such tables, rates, and schedules in accordance with the provisions of the various Memoranda of Understanding or by subsequent action of the Board.

Section 2. Salary Payment Procedure

- A. A pay period shall cover fourteen (14) calendar days and shall start on a Friday and end with the second Thursday thereafter. Employees and officers shall be paid approximately eight (8) days after the end of a pay period, usually on a Friday.
- B. Compensation for each employee for whom compensation is established shall be paid out of the Authority General Fund or such other fund as may be provided by ordinance or by law upon certification by the Fire Chief that such employee has performed the services set forth in said certificate. When an employee separates from the Authority service and use of the regularly scheduled certification would create an inequitable delay, the Fire Chief may immediately file a special payroll certification of such separation. A warrant may be drafted for the period of time and/or pay due said employee up to the time of separation. Notice of such separation shall be immediately filed with the Human Resources Director.
- C. As a condition of receipt of his/her salary warrant, the Fire Chief shall file a written certificate to the effect that each of his/her employees during said pay period has performed services for the Authority as required by law. If there is any exception, the Fire Chief shall so state in the certificate. The Authority shall retain a copy.

Section 3. Authorization for Salary Increases

- A. The Human Resources Director shall provide written notification to the Finance Manager of all salary increases and such notifications shall constitute authorization for payments to the employee at the higher rate.

Section 4. Compensation for Authority Employees When Performing as Volunteer Reserve Firefighters

- A. Employees who, in addition to being employed in another job class, also volunteer as Volunteer Reserve Firefighters shall be excluded from eligibility for overtime compensation during such time when they volunteer as Volunteer Reserve Firefighters.

Section 5. Limitations upon Compensation

- A. Unless otherwise provided by Resolution, all fees, commissions, mileage (other than mileage reimbursement received pursuant to the Authority's mileage reimbursement provisions), and compensation of whatever nature or character received by an employee by virtue of his/her office shall be deposited with the Authority for each calendar month not later than the fifth of the succeeding month and be deposited into the General Fund of the Authority, or such other fund as may be provided by law, and shall become the property of the Authority immediately upon its receipt by such employee. The provisions of Section 70 of the Penal Code relative to the asking or receiving of gratuities are hereby made a part of the regulations governing employees.

Section 6. Authority to Resolve Employee Complaints/Grievances

- A. The Human Resources Director may authorize payments in settlement of employee complaints or grievances where:
1. Resolution of the complaint advances effective employer-employee relations; and
 2. The cost of potential arbitration or litigation exceeds the amount in controversy; and
 3. The amount of such settlement does not exceed ten thousand (10,000) dollars in any one (1) case.

ARTICLE III

TUITION REIMBURSEMENT

Section 1. Objective

- A. The tuition reimbursement program is designed to encourage employees to continue their self-development by enrolling in classroom courses that will:
 - 1. Educate them in new concepts and methods in their occupational fields and prepare them to meet the changing demands of their jobs; or
 - 2. Help prepare them for advancement to positions of greater responsibility in the Authority service.

Section 2. Eligibility of Courses

- A. The following criteria shall be used in determining the eligibility of courses for tuition reimbursement:
 - 1. Courses must be related to the work of the employee's position or occupation.
 - 2. Courses must have reasonable potential for resulting in savings or in more efficient service.
 - 3. Courses must be taken on employee time.
 - 4. Courses must be taken at accredited institutions. Correspondence courses from reputable institutions shall be considered only when equivalent courses are not available at local accredited schools, or when the employee's circumstances prevent attendance at courses offered locally.
 - 5. The prerequisite courses for eligible courses are also eligible for tuition reimbursement. However, reimbursement shall not be made until the appropriate eligible courses have been satisfactorily completed.
 - 6. Courses that are neither eligible in themselves, nor prerequisites for eligible courses, but that are required for the completion of a degree in a work-related field are eligible for tuition reimbursement.
 - 7. Courses are not eligible for tuition reimbursement if they:
 - a) Are taken to bring unsatisfactory performance up to an acceptable level;
 - b) Are taken to acquire skills or knowledge that the employee was deemed to have when appointed;
 - c) Duplicate available in-service training; or
 - d) Duplicate training that the employee has already had.
- B. Conventions, nonacademic workshops, institutes, etc., are not ordinarily included in the tuition reimbursement program because such programs often are given by non-accredited institutions, involve Authority time, considerable travel expense, and are not easily comparable to any other programs. Therefore, the Transportation

and Travel-Meetings and Conferences account code shall be used for such programs and requests shall be made in the usual manner. However, with the approval of the Human Resources Director, exceptions may be made for individual requests if: 1) an employee can only receive a specialized course from a nontraditional institution, and 2) the program meets the other criteria previously outlined.

Section 3. Eligibility of Employees

- A. Full-time (regular, limited-term, and probationary) employees performing their jobs satisfactorily are eligible for reimbursement.

Section 4. Nature of Reimbursement

- A. Reimbursement may be made for tuition, registration fees, books, and laboratory fees. Expenses for parking, travel, meals, processing fees for admittance to a university or college, and other incidental costs are not reimbursable.

The Authority may, at its option, waive the one hundred twenty (120) hour requirement when it is necessary to utilize a regular, probationary, or limited-term employee in a higher level vacant (regular or limited-term) position for a period that is expected to be at least one hundred twenty (120) consecutive regularly scheduled hours, but less than one (1) year.
- C. An employee on temporary promotion shall not be placed on promotional probation. When a layoff is implemented, employees in regular positions and those occupying limited-term positions at the direction of the Fire Chief shall be laid off in the following order within a class:
 - 1. Employment Status

Except as provided in Section 1.C of this Article, all new probationary employees and employees on temporary promotion shall be removed from the class.
 - 2. Past Performance

When two (2) or more employees have the same number of service hours, the Authority shall determine the order of layoff for these employees.
- B. Layoffs shall be made by class within the Authority, except that:

The reduction shall be made if there is a vacant position in the layoff unit or an incumbent in the lower class in the layoff unit has fewer service hours than the employee requesting the reduction. In the latter case, the incumbent in the lower class with the lowest number of service hours shall be subject to layoff.
- B.
 1. Employees who receive notice of layoff by personal service at work shall have until the end of their third regularly scheduled day of work, following actual receipt of the notice, to notify the Authority in writing of their intent to exercise rights under this Section. have five (5) calendar days, excluding weekends and holidays, following the date the employee is personally served, or if service is made by mail, five (5) calendar days, excluding weekends and holidays, following the date of proof of service by mail, to notify the Authority of their intent to exercise rights under this Section. Where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.

- C. Failure by an employee to respond to the Authority pursuant to this Section shall result in a rebuttable presumption that the employee does not intend to exercise any right of reduction to a lower class, and that the employee's hire date stated in the layoff notice was correct.
- D. No employee action or inaction referred to in this Section shall be considered a waiver of an employee's right to file grievances concerning any matter within the scope of the grievance procedure.

Positions to be filled shall be offered first to persons on the REINSTATEMENT LIST for that class, starting at the top of the List. If reinstatement is offered to a class other than that from which the person was laid off or reduced, such person must

first meet the minimum qualifications for the class, and pass any required performance tests for that class.

- B. Names of persons placed on the REINSTATEMENT LIST shall remain on the Lists for two (2) years, except that:
 - 1. A person who, on two (2) separate occasions, rejects or fails to respond within five (5) calendar days to offers of employment in a particular class shall be removed from the Lists for that class.
 - 2. A person who, on three (3) separate occasions, declines referral for interviews in a particular class shall be removed from the Lists for that class.

 - 4. The employee shall be placed in the salary range as if the employee had been on a Leave of Absence Without Pay.
 - 5. The probationary status of the employee shall be as if the employee had been on a Leave of Absence Without Pay, except that a probation period shall be established as determined by Part 2, Article III, Section 3.B if reinstatement is in a higher class or an occupational series different from that employed in at the time of layoff.
- B. An employee who has voluntarily reduced under the provisions of this Article and subsequently is reinstated in a regular or limited-term position in the class from which the employee reduced within a two (2) year period from the date of reduction shall receive the following considerations: The employee shall be placed in the salary range either as if the employee had been on a Leave of Absence Without Pay or at the same point/rate on the salary range as the employee's salary in the lower class, whichever is higher. The probationary status of the employee shall be as if the employee had been on a Leave of Absence.

- C. When an employee is reduced under the provisions of this Article and is subsequently reinstated in a class higher than the one from which the employee was reduced, the employee shall be deemed returned to the class from which the employee had been reduced as provided above, and the employee's salary and probation period shall be determined by treating the employee as though he/she is being promoted from such class.

This policy has been developed to provide a consistent application of the Vehicle Allowance benefit that covers the issuance of an Authority vehicle or a cash allowance in lieu of an Authority issued vehicle.

- B. Authority Issued Vehicle

- 1. Emergency/Code 3 Response Vehicles

Based on the duties performed by each member of the Executive Management group, the Fire Chief shall determine if an employee shall be required to maintain a twenty-four (24) hour emergency/Code 3 response vehicle. This determination shall be based on the specific requirement of the job and shall take all of the following conditions into consideration:

- The duties of the position require a twenty-four (24) hour seven (7) days a week emergency/Code 3 response status.
- The duties require that the vehicle be equipped with emergency/Code 3 response and communications equipment, i.e., emergency lights, siren, emergency radio, etc.
- The duties dictate the use of the vehicle in a manner that insurance coverage is not available on an individual basis, i.e., emergency response and wildland traversing.

- Authority provided fuel for Authority issued vehicles shall be for business use only.

2. Record Keeping

It is understood that if an employee is issued an Authority vehicle, the vehicle shall be used for business and personal use. In determining the cash value of the personal use of the vehicle, the method of "Annual Lease Value" shall be applied. Upon receipt of the appropriate information from the employee, the Finance Manager shall calculate the appropriate cash value for the vehicle's personal use. The cash value shall be identified on the individual's W-2 in Box 1 as taxable income. The cash value shall cover the cost of the vehicle and its maintenance and insurance.

C. Vehicle Cash Allowance

Those Executive Management employees who are not determined by the Fire Chief to be required to maintain a twenty-four (24) hour a day seven (7) days a week emergency/Code 3 response vehicle shall receive a monthly cash allowance in the amount of five hundred (500) dollars for the use of their personal vehicle for Authority business.
